Rules and Regulations of the Fishery

1. Syndicate members and visiting anglers are not permitted to transfer their days to others under any circumstances. **(24 Hour Notice to Manager of Cancelling Bookings)**
2. All Syndicate members and visiting anglers must check in with the Fishery Manager before commencing angling.
3. Syndicate members and visiting anglers are allowed a maximum of one fish per day throughout the season, to a maximum of 10 fish per season.
4. Catch & Release is strongly encouraged throughout the season for all fish.
5. All fish over 10lbs are to be returned.
6. All anglers must fish the beats in rotation with the other anglers on the beat and must not fish in any one spot for more than 40 mins – this rule is particularly aimed at the powdering Tub on the Castle Beat. If any angler requires more than one day per week on the Castle Beat, they must discuss this with the Fishery Manager.
7. Worm fishing is strictly forbidden on all beats for the entire season.
8. Spinning is allowed but with barbless hooks only, should you not have barbless hooks pliers will be provided to flatten the barbs on your hooks.
9. If you hook a fish (Any Additional Fish Hooked) after your limit, and it is bleeding from the gills the fish must be returned to the water regardless of circumstances.
10. Everyone fishing on the fishery must produce a State Licence before fishing commences.
11. All fish killed must immediately be tagged and log-books filled in.
12. All fish caught, whether killed or released must be recorded. Weighing and measuring tools are provided by the fishery for this purpose.
13. Life jackets must be worn if you enter the water on all beats for wading purposes – do not wade in circumstances when you are fishing alone. If you do not have a life jacket one will be provided by the Fishery Manager.

Any syndicate member or visiting angler found to be in breach of any of the above rules and regulations will be asked to leave the fishery immediately, without refund and will not be welcome on the Fishery again. The Fishery Manager retains the right to ensure all rules and regulations are maintained at all times.
